#### **In-kind support**

We are proud to support the Australian Women Donors Network by providing office space and facilities at the Reichstein Foundation office. In turn we benefit hugely from close proximity to the AWDN team, especially the chance to learn from their important work to introduce a gender lens into philanthropic giving.

#### **Jill Reichstein Award for Social Change**

In 2014, 2015 and 2016, we supported outstanding social change agents amongst our past grant recipients to participate in the Australian Progress US Study Trip.

#### **Capacity building**

In 2014-16 we have supported grant recipients to undertake professional development activities, such as The Change Agency Community Organising Fellowship and the Centre for Australian Progress Fellowship.
